

National Trails Day 2010 - Sunday 3rd October

Welcoming People into the Irish Outdoors

NATIONAL TRAILS DAY is a celebration of Ireland's wonderful variety of trails and a chance for everyone to enjoy some of our most beautiful countryside, forests, mountains and lakes. National Trails Day will be held on **SUNDAY, 3RD OF OCTOBER** this year and it is hoped that this year's event will be even bigger and better than last year with more events being organised on trails around the country.

South Tipperary is organising a range of walks with community groups around the county. As the walks are confirmed over the coming weeks, the details will be put up on www.nationaltrailsday.ie. Keep an eye on the website and local press nearer the day and select a walk that suits yourself and any companions that you'd like to bring along.

National Trails Day is a great way of increasing awareness about local trails and the National Trails Office would encourage all trail management groups, committees and organisations to consider hosting an event on your local trail. We look forward to a great turn-out on the day. See you there.
